## RUBINFORTUNATO PAOLI

**"40% OF ITS ELIGIBLE LAWYERS  
HAVE BEEN RECOGNIZED TO  
SUPER LAWYERS OR RISING STARS"**

RubinFortunato is a 35-attorney "employment law boutique" situated in the Western Main Line of Philadelphia. It ranked 54th of the largest *PA Law 100* law firms (2013). 40% of its eligible lawyers have been recognized to Super Lawyers or Rising Stars.

Predictably, many of the Firm's attorneys have big firm training, excellent academic credentials, and professional achievements and recognition.

Nevertheless, they are hardly theoretical or esoteric. They are "real world" lawyers. They are results oriented. They know what clients want. They deliver. And they have the court orders and arbitration awards to prove it. Their successes also have been well-chronicled in *The New York Times*, *The Wall Street Journal*, *Forbes Magazine*, *Fortune*, and industry publications.

The Firm practices in only two areas: (1) defense of Title VII, ADEA, ADA, SOX, EEOC, and other traditional employment claims; and (2) drafting and enforcing post-employment restrictive covenants and protecting trade secrets and customer lists.

RubinFortunato: Good judgment, experience, and results ... delivered efficiently, effectively, and economically.
